

2023-2024 PAY-TO-RIDE

Important Information

Attention Parents/Guardians:

Waukegan Public Schools offers Pay-To-Ride for students who do not qualify for transportation under the regular district guidelines. Students who live between 0.50 - 1.49 miles from their school of attendance can now receive transportation for a fee. Transportation is only to and from the home address. We will verify mileage to and from the school to see if you qualify.

This is NOT to and from the daycare/babysitter address. Students who are Parent Voluntary transfers are not eligible for this service. Stops are assigned to an established stop. Not all corners are bus stops. No home stops.

Pay-to-Ride is based on the availability of space and continued adherence to the District's Bus Ridership Rules. The fee for Pay-to-Ride is \$2.25/day or \$396.00 for the entire school year. You can pay per quarter or semester. Below are the prices. Transportation will begin 5 to 7 working days from the date of the application or on the next start date once payment is received. The fee must be paid before bus service can begin. Our office will contact you with the bus information. Whether you need the bus both ways or one way, the fee is the same.

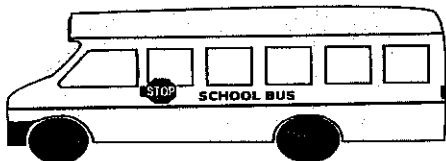

* If you wish for transportation to start on the first day of school, payment must be received no earlier than July 5th and no later than July 20, 2023. After that, you will have to wait a few weeks after school starts.
